Dear Mr. Buckley,

This letter responds to your letter dated February 29, 2009 concerning independent expenditures reported during the Post-General reporting period. The notes following should clarify the entries.

The following independent expenditures were listed on the request for additional information as a missing 24-hour report. It was found that this data was inadvertently left off two 24-hour reports filed because the report was prepared before the additional data was received, one on 10/22/2008 and the other on 10/31/2008.
